*Globester is a leading global online travel services company specializing in negotiated / discounted airfares to almost every part of the world. Globester has recently launched its new version of online airline ticket booking search engine with more advanced features and searching options for its users. Now user can book flight tickets to their dream destinations in just 3 easy clicks.*

PR9.NET June 21, 2008 - Burlingame, CA - Globester.com, one of the leading online travel services company selling consolidated flight tickets online has launched a new improved air travel booking engine. The much awaited airline tickets booking engine is out at last after much wait. The new version of the booking engine offers many new features which were not available in the previous version. Its easy to use and shows accurate results for available consolidator airfare deals on international and domestic deals based on the user query.

Few are the features of the new booking engine

- Now the search results only return available air fares online. It shows consolidated airfares of only available flights.
- Book your flight ticket as Guest User to save time OR Earn Globester Miles by creating a secure personal account using our simplified user registration process.
- Make a Airline Ticket Booking in just 4-Click. Its simple and quick to book.
- Now you can book Discount Plane tickets to all Domestic and International Destinations right from the Globester Website.
- Tremendous Low cost Airline Choices - Search Millions of Air Fares in Seconds.
- Earn Globester Miles and Rewards- Save more on already Low Prices.
- Cheapest Airfares Anywhere - Unpublished, Exclusively Negotiated Wholesale Airfares

The rest of the news release expounds on the information provided in the lead paragraph. It includes quotes from key staff, customers or subject matter experts. It contains more details about the news you have to tell, which can be about something unique or controversial or about a prominent person, place or thing.

"Globester is designed to provide more choices, better prices, a superior user experience, and unique, user-friendly features and functionality tailored specific for domestic and international air travel. Based on our customers' feedback and requests, we have streamlined our booking process and added the improvements," says Utkarsh Kansal, CEO, Globester.com."
