NCI Law Group Ltd. announced today the launch of its new corporate Web site <http://www.ncilawgroup.com>, which is highlighting its legal and corporate services, worldwide.

PR9.NET June 25, 2008 - Nicosia, Cyprus – NCI Law Group Ltd. announced today the launch of its new corporate Web site www.ncilawgroup.com, which is highlighting its legal and corporate services, worldwide.

The new web site provides its visitors with information ranging from business summaries, to services descriptions on each one of the NCI Law Group international office and its partners, "at-a-glance".

Each service page of the site identifies services provided by our Group says Mr. Ioannis John Neocleous, Managing Director while our "Latest News" section will be monitoring updates not only on oncoming or ongoing events of the Group, but provide latest updates on any changes in legal, tax and other areas related to our businesses. We believe that it is of great benefit to our Clients to keep them up to date.
