Affiliate marketing coach Codrut Turcanu launches a 3-part series of videos, revealing the secrets of making money online with the world-famous Google AdSense program. These video tutorials are provided free for all those who sign up at <http://www.AdSenseProfitTip.com>.

PR9.NET June 25, 2008 - Bucharest, Romania – Affiliate marketing coach Codrut Turcanu launches 3 eye-opening video tutorials that unveil the strategy of earning smart money through Google AdSense and other affiliate programs. These tutorials will illustrate how Codrut along with other top marketing experts are using AdSense on their sites or blogs to generate real income online.

In these videos Codrut explains simple and easy ways to make money online with Google AdSense, Clickbank and other affiliate programs. He challenges that anyone can make money through affiliate programs using these simple strategies. He is also providing details on his upcoming step by step weekly eCoaching program for advance AdSense users.

Some fine features of his video tutorials are that it works best for newbies or complete beginners. Anyone who implements these strategies should earn up to \$100 within a month. And the best part is that if a person is already using AdSense then by implementing these tips, their AdSense clicks and earnings will increase for sure.

Codrut Turcanu says, "Just picture this - you GET paid in real MONEY just for getting the CLICK. Yes, you don't have to make a sale to make money online... forget about hard work, and start getting money the SMART way!" He further adds, "Once you start with AdSense, making money online will seem a total breeze."
