Denver, CO The only free on line radio station for personal development and life-changing information, is proud to add Dr. Jeanne Achterberg to their impressive list of self improvement coaches.

PR9.NET June 26, 2008 - Denver, CO – AchievementRadio.com (<http://www.achievementradio.com>) Speaker profile. Dr. Jeanne Achterberg (<http://www.jeanneachterberg.com>) is a scientist who has received international recognition for her pioneering research in medicine and psychology. A faculty member for 11 years at Southwestern Medical School, she is a Professor of Psychology at Saybrook Institute, San Francisco. She also co-chaired the mind/body interventions ad hoc advisory panel and the Research Technologies Conference of the Office of Alternative Medicine, and was a member of the Advisory Board, Unconventional Cancer Treatments Study Group, Office of Technology Assessment, U.S. Congress. She is a research consultant and advisor to foundations. She also provides training in the use of mind/body therapies for health care professionals in Europe, Japan, Argentina, and to refugees in Kosova and Macedonia.

She has authored over 100 papers and five books. Imagery in Healing (<http://www.jeanneachterberg.com>) is critically acclaimed as a classic in the field of mind/body studies, and Woman as Healer is described as a ground breaking work, surveying the activities of women from prehistoric times to the present. Rituals of Healing is a primer on the use of creative therapies for health and medicine, and won the Book of the Year Award from the American Nursing Association. Her new book, Lightning at the Gate, the story of her personal healing journey, was published in 2001.

Kathy Weyant, ARN's Executive Producer, says that "Dr. Jeanne Achterberg is a great asset to ARN. She brings a fresh eye-opening perspective to our network. Our listeners will gain invaluable insight from Dr. Achterberg's up-front, no-nonsense approach to fields of human consciousness, spirituality and mysticism, health, energy medicine, and the science of medical intuition."
