Cypress Hotel has just added a new reservation system to their website www.cypresshotel-shanghai.com which makes booking accommodations easier and more convenient.

PR9.NET July 01, 2008 - Shanghai, China – Guests of Cypress Hotel in Changning District, Shanghai can now book a room and get instant confirmation when they visit the hotel's website. The new system gives guests a 14-day view of room availability in real time, which means more options to choose from.
