Software helps facilities be in compliance now that compounding guidelines are effective.

PR9.NET July 03, 2008 - Bellevue, WA - Pharmacy OneSource, Inc., software as a service provider to more than 1,200 hospitals in the United States, announced today that Hallmark Health System has adopted Simplifi 797 to simplify meeting all of the requirements of USP Chapter 797 for compounding sites throughout three of its hospitals: Lawrence Memorial Hospital, Melrose-Wakefield Hospital and The Hallmark Health Cancer Center.

"With all of the complexities of USP 797 and documentation requirements, pharmacies need a computerized tool to help them," said Michelle Corrado, PharmD, System Director of Pharmacy Services for Hallmark Health System. "It was straightforward to set up, required little staff training, and takes staff just moments to document the necessary information.

Simplifi 797 is a web-based application that automates, integrates and streamlines the quality activities and documentation required to meet USP Chapter 797. Simplifi 797 manages task scheduling and monitoring and automates the reporting of exceptions and compliance.

"With Simplifi 797's new reporting tools, Hallmark Health System can be sure their pharmacies are always in compliance," said Keith Streckenbach, Chief Strategy Officer for Pharmacy OneSource. "Hallmark Health System has taken a great step forward in protecting their patients with the adoption of Simplifi 797."
