*Effective marketing is what can be the single distinguishing factor between competitive companies within an industry. While online marketing is becoming an effective strategy, there is nothing like a promotional item for companies to market themselves offline.*

PR9.NET July 20, 2008 - South Yorkshire, UK - Effective marketing is what can be the single distinguishing factor between competitive companies within an industry. While online marketing is becoming an effective strategy, there is nothing like a promotional item for companies to market themselves offline.

Ideas by Net is the UK's leading supplier of printed ( <http://www.ideasbynet.com> ) promotional products, promotional items, corporate gifts and business gifts. Visitors to their website will be able to find great marketing items to match any corporate branding need and any marketing campaign.
