*This revolutionary new marketing tool is highly anticipated to take the Network Marketing Industry by storm as one of the most innovative quality free lead generation systems designed to date.*

PR9.NET July 19, 2008 - Victoria BC, Canada: A new free lead generation system designed exclusively for struggling network marketers is about to be released – the Viral Prospector System.

Fifty million network marketers world wide anxiously await the unveiling of this unique marketing tool. The Viral Prospector System efficiently eliminates the need to engage marketers in the old time network marketing techniques and allows them to skillfully promote themselves as a leader in the industry and generate a raging river of quality prospects for free. The highly anticipated August 18th launch of the Viral Prospector System gives all network marketers renewed confidence in business/team building and duplication.

The Viral Prospector System will change the face of network marketing by leveraging the capabilities of the internet and modern technology. Presenting any business in the Network Marketing industry properly is crucial. The Viral Prospector System, with its professionally written copy and content rich unlimited autoresponders, will position even the newest network marketer as an industry leader, magnetically attracting endless qualified prospect to them.

As a training system the Viral Prospector is second to none. The easily viewed back office shows the detailed step by step features designed for the newest of networkers to launch their businesses economically and efficiently for long term financial gain.

With the Viral Prospector System it is virtually impossible to build a network marketing business that fails and that generates little to no income. The Viral Prospector System provides all the necessary tools needed to ensure a consistent flow of business through the network marketer's doors, with minimal effort.

The Viral Prospector System is designed to promote the network marketer as a leader in the industry and generate an endless stream of quality leads for free.
