Hostal Casantica in Oaxaca, Mexico is offering guests an easier and faster way of booking rooms on their website www.hotelcasantica.com with a new reservation system.

PR9.NET July 25, 2008 - Oaxaca, Mexico – Room reservations with Casantica Hotel in Av. Morelos has just become quicker and easier with a new system that guarantees instant confirmation. This new system features a 14-day view of room availability shown in real time, giving guests more control in choosing rooms that fit their budget and preference.

Not only that, this ground-breaking reservation system also offers payment guarantees. With a minimal deposit payment of 10% of the total room cost, guests are assured that the room they booked is ready and available upon their arrival at the hotel. This amount is later on deducted from their total bill. The system is easy to use and secured by a 128-bit encryption technology powered by WorldPay, a Royal Bank of Scotland company, which means all information will remain protected and safe.

CasAntica Hotel brings guests the quaint and tranquil charm of Oaxaca, Mexico in a historic 2-building structure that was once a convent in the 16th century. Surrounded by traditional art and history, Hotel CasAntica in Oaxaca lets visitors experience the warm and rustic ambience, great service, and cozy accommodations for one memorable vacation in Mexico. For more information about the hotel visit www.hotelcasantica.com.

This new system on Hostal CasAntica is was made possible through its partnership with DirectWithHotels, an online reservations specialist that helps hoteliers maximize their official websites to deliver instant confirmation, increased occupancy, and improved profitability. For more information on this ground-breaking product, log on to www.directwithhotels.com.
